2.6 KAHUI AKO (COL) UPDATE

Technology (formulate question / sub-committee)

Russ recently attended a meeting and updated BOT on this. Pahiatua School will continue next year but by end of Term 1 they will have decided for the future - 2020 onwards. Smalls School numbers would fund one staff member. 108 students at Pahiatua allow for the 2nd Staff member

2 questions we need to be considering;

- 1.Do we want to be represented on a sub-committee?
- 2. Create a Google doc as a living document for all to contribute questions to with ideas. Staff to think about what they would want and formulate questions.

Survey could be an option to find student voice, parental voice.

Place something in the newsletter regarding Technology
